2. Mobius Awards Entry System

The 2011 Mobius Awards entry system is powered by BEAM.TV. If you are already a BEAM.TV user, use your BEAM.TV login and password. If not, create a free account at <http://www.beam.tv/awards/login/mobius2011>. Click on “New User” and provide your email address. You will then receive the password which will allow you to login and begin the Mobius Awards entry process.

3. Entrant Contact Information

The entrant contact name will not appear on any Awards.

4. Create an Entry(s)

Select a Media Type and a Category, enter credits, and upload entry materials for each entry.

5. Finalize Entry(s)

There is no need to finalize each entry separately. Finalize all entries together at one time.

6. Payment

There are 2 separate payments to be made for each entry: **Mobius Entry Fees + BEAM.TV Upload Fees** (if applicable), both of which need to be completed BEFORE your entry is officially finalized and confirmed.

- **BEAM.TV Upload Fees**
Upon finalization in the entry system, you will be prompted to pay BEAM.TV directly for your BEAM.TV Upload Fees (if you have uploaded entry materials for your entry).
- **Mobius Awards Entry Fees**
After finalization and payment to BEAM.TV in the entry system, you will then receive an **Entry Fee Payment Email** with instructions for the immediate payment to Mobius Awards. The email includes the link to pay the Mobius Entry Fees by credit card and additional instructions on how to pay by check or Bank Transfer.

7. Shipping (for physical entries only)

If you have any **physical entries** (i.e. Brochure/Book – Physical, Direct – Physical, All Package Design), they should be received in our office within 7 days of finalization. We recommend shipping by via air courier, not post.
